It is our great pleasure to invite you to the 2018 NOSTE (National Organization of Science Teachers and Educators) National Conference and Training Workshop at Albergo Hotel and Residences and Baguio City National High School, Baguio City, Philippines.

For several years now, the organization paved the way for Science teachers and educators to interact with experts of national caliber through research paper presentations, workshops and lectures. This year features plenary sessions, paper presentations and workshops which are all anchored on the theme – *Championing lifelong Learning through Contextualized Science Education for All*.

All participants must register by filling out the attached Registration Form and pay the non-refundable, non-transferable registration fee of **PhP 5,000.00** for Non-NOSTE Members and **PhP 4,500.00** for NOSTE Members.
